

In your daily life does exposure to any of these trouble you?

 <p>Dust & Dust Mites</p>	 <p>Animal Dander</p>	 <p>Cigarette Smoke</p>	 <p>Chemical Fumes</p>
 <p>Strong Odors</p>	 <p>Strenuous Exercise</p>	 <p>Cold Weather</p>	 <p>Exhaust fumes</p>

If yes, consult your doctor. It might be Asthma.
